SUBJECT: VETTING FOR PROPOSED PARTICIPANTS FOR UPCOMING 2007 COESPU
TRAINING COURSE

REF: Belgrade 1986

¶1. The following candidates from Serbia are presented as nominees for attendance in the upcoming 2007 middle management and high level training courses at the Center of Excellence for Stability Police Units (COESPU) in Vincenza, Italy. Consistent with Department Policy as it relates to Leahy Amendment Human Rights Vetting, these individuals have been cleared by all relevant sections at post, with the exception of Sinisa Haler. Post discovered information on Haler that indicates he may have been a member of the Serbian Department for State Security (RDB) assigned to the protection unit for Slobodan Milosevic as of 2001. In the process of clarifying Haler's activities, post discovered that Haler did not finish his medical exams and will not be attending the training. This information is included for the record. One of the reserve applicants will attend in his place.

¶2. If Department has "hits" on any of those persons nominated for this seminar, please notify POLOFF Jaime Teahen via unclassified email in addition to front-channel cable.

¶3. Please apply vetting procedures.
